

Show Me Update...

Shepparton Show Me is involved in a variety of activities and campaigns for our members

Shepparton Show Me Annual General Meeting was held 17 August at The Vault

The election of office bearers was held with Malcolm Blake re-elected as Chairperson, Cr Les Oroszvary as Deputy Chair, Peter Radevski as Secretary and Simon Quattrocchi as Treasurer.

Iconic journalist Charles Wooley entertained the room while outlining Shepparton Show Me's major project "Great Things Happen Here". Charles will be highlighting the great things which Greater Shepparton has to offer through a strategic campaign. Local business people discussed one-on-one with Charles their business story and what makes us unique.

Charles visited a number of businesses and was blown away by the innovation utilised and the passion of the workforce. You may see Charles around the area over coming months while he gathers more stories about our region.
