## What did you think about Greater Shepparton's Christmas decorations?

Council wishes to hear from residents regarding their thoughts on the Christmas decorations installed for the 2019 festive season.

For Council it's about gaining a better understanding of the community's views and what you would like to see more of or introduced for 2020. By completing this survey you have the opportunity to have your say and provide feedback on what you would like to see in the future.

The feedback obtained from the survey will assist Council in planning for this year's decorations including where decorations should be placed and if anything new should be introduced.

The survey is now available online and in hard copy. Feedback closes on Friday 7 February. Hardcopy surveys can be collected from and returned to Council's Welsford Street office, Aquamoves, Shepparton and Mooroopna Libraries, the Tatura Newsagency and Murchison Bakery and Tea Rooms.
